## FOUNDATION MISSION & FUNDING CRITERIA

**Mission:** Gupta Family Foundation is dedicated to uplifting and empowering individuals disadvantaged by poverty or disability, or by discrimination based on race, class or religion; providing social services to the elderly, disabled, children and those who are disadvantaged; and providing relief for emergencies (such as genocide) and natural disasters. To support this mission, we have identified the following funding criteria.

**Funding Criteria:** Gupta Family Foundation will support organizations which:

1. Ensure that 90% of their resources reach the intended beneficiaries and less than 10% are spent on management, administration, fund-raising, salaries, etc.

2. Are being actively run by the Founder or the guiding light, and not by professional staff.

3. Assist beneficiaries in overcoming their limitations and achieving self-sufficiency over time.

4. Do not, directly or indirectly, support or condone the proselytization of religious beliefs of any kind, by inducing, recruiting or in any other manner causing any individual or group of individuals to convert to a different faith or religion.

## GRANTEE ORGANIZATION ALIGNMENT

1.  Briefly describe how your organization aligns with the mission of Gupta Family Foundation.

2.  Describe how your organization fits **each of the four funding criteria** listed above.

3.  Summarize your organization's history and statement of organization's mission.

4.  Provide evidence of your organization's effectiveness and achievements.

5.  Indicate whether you are affiliated with a national or international organization, or are a chapter of a regional or national organization.
